## 品質政策

本公司秉持以品質為先的理念，願意盡一切努力，提供卓越的半導體製程服務予全球的客戶，並建立起長期的夥伴關係。為達到上述目標需落實以下品質政策：

1. 團隊學習：精進工作方法、知識與技術能力。
2. 持續改善：以零缺點為終極目的。
3. 客戶滿意：以準時交貨滿足客戶需要為首要目標。

EPISIL adheres to the concept of quality comes before profit and dedicates to provide superior semiconductor processes and services to worldwide customers to establish long-term partnerships.

To achieve the goal aforementioned, we implement following quality policy :

1. Team Learning : Advance our working methodology, knowledge and technical capability.
2. Continuous Improvement : Set zero defect as our ultimate quality goal.
3. Customer Satisfaction : On-time deliver to meet customers demand as primary object.
